

5th ANNUAL
Driving For Hope
Classic

HelpCureHD

January 8, 2024 | Palm City, FL

HelpCureHD was founded by Allie LaForce, TNT sports reporter, and Joe Smith, veteran MLB pitcher, to eradicate Huntington's disease (HD), one healthy baby at a time.

The funds raised through Driving For Hope will provide financial assistance to families at-risk for HD to achieve their dreams of having a child that is HD-free through PGT-IVF. So far HelpCureHD has funded/awarded over 135 families to have healthy babies!

Join us for a lively day of golf at the prestigious Floridian National Golf Club as, together, we work toward eradicating Huntington's disease, one healthy baby at a time.
